INDEPENDENT AUDITORS' REPORT

Board of Directors of The Partnership Against Domestic Violence, Inc.

We have audited the accompanying financial statements of The Partnership Against Domestic Violence, Inc. (the "Agency"), which comprise the statement of financial position as of June 30, 2019 and 2018, and the related statements of activities and changes in net assets, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS") and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Agency's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Agency's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of The Partnership Against Domestic Violence, Inc. as of June 30, 2019 and 2018, and the changes in its net assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

Report on Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The schedule of expenditures of federal awards, as required by *Title 2 U.S. Code of Federal Regulations (CFR) Part 200*, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards is presented for purposes of additional analysis and is not a required part of the basic financial statements. This schedule is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated November 22, 2019 on our consideration of the Agency's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Agency's internal control over financial reporting and compliance.

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2019 AND 2018

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Business

The Partnership Against Domestic Violence, Inc. (the "Agency") is a voluntary health and welfare organization providing emergency assistance to people who have been victimized by domestic violence. The Agency is supported by grants and contributions.

Basis of Accounting

The Agency follows accounting standards set by the Financial Accounting Standards Board ("FASB"). The FASB sets accounting principles generally accepted in the United States of America ("GAAP").

Presentation

The accompanying financial statements present "net assets". Net assets, along with revenues, expenses, gains and losses, are classified based on the existence or absence of donor-imposed restrictions. Accordingly, the net assets of the Agency and changes therein are classified and reported as follows:

- Net Assets Without Donor Restrictions – Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Agency.
- Net Assets with Donor Restrictions – Net assets subject to donor-imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that such resources be maintained in perpetuity.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Accounting Pronouncement Adopted

In August 2016, the FASB issued Accounting Standards Update (“ASU”) 2016-14, *Presentation of Financial Statements of Not-for-Profit Entities*. This guidance is intended to improve the net asset classification requirements and the information presented in the financial statements and notes about a nonprofit’s liquidity and availability of resources, expenses and investments returns, and cash flows. Main provisions of this guidance include: (a) presentation of only two classes of net assets now entitled “net assets without donor restrictions” and “net assets with donor restrictions”, (b) modifying the presentation of underwater endowment funds and related disclosures, (c) requiring that all nonprofits present an analysis of expenses by function and nature and disclose a summary of the allocation methods used to allocate costs, (d) presenting investment return net of external and direct internal investment expenses, and (e) requiring the disclosure of quantitative and qualitative information regarding liquidity and availability of resources.

The Agency has adopted ASU 2016-14 as of and for the year ended June 30, 2019 with retrospective application for the 2018 financial statements. The Agency opted to not disclose liquidity and availability information for 2018 as permitted under the ASU in the year of adoption.

Reclassifications

Certain reclassifications have been made to the 2018 financial statements to conform with the 2019 presentation.

Grants and Contracts

For the years ended June 30, 2019 and 2018, the Agency received approximately 71% and 65%, respectively, of its total public funding through various government agencies. Receivables arise from reimbursements owed through these government contracts. The Agency’s ability to collect amounts due is affected by the acceptance of reimbursable expenses and performance-based outcomes, which meet contract requirements.

Cash and Cash Equivalents

The Agency considers all highly liquid investments, except for those held for long-term investment, with maturities of three months or less when purchased to be cash equivalents.

THE PARTNERSHIP AGAINST DOMESTIC VIOLENCE, INC.
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2019 AND 2018

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Concentration of Credit Risk

The Agency's financial instruments that are exposed to concentrations of credit risk consist primarily of cash and cash equivalents and grants and pledges receivable. At times, cash and cash equivalent balances exceed federally insured amounts. The Agency believes it reduces risks associated with balances in excess of federally insured amounts by maintaining its cash with major financial institutions with sound financial standing. Management continually monitors grants and pledges receivable balances and believes that its exposure to credit risk is limited. If liquidity issues arise in the global credit and capital markets, it is at least reasonably possible that these changes in risks could materially affect the amounts reported in the accompanying financial statements.

Investments

Investments are reported at fair market value. Unrealized gains and losses arising from changes in the fair market value of the investments are reported in the statement of activities and changes in net assets as increases or decreases in net assets without donor restrictions.

Fair Value Measured on Recurring Basis

GAAP establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs in which little or no market data exists (Level 3 measurements). The three levels of the fair value hierarchy under GAAP are described below:

Level 1 - Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;

Level 2 - Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly;

Level 3 - Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Fair Value Measured on Recurring Basis (Continued)

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Total assets at fair value classified within Level 3 were \$312,359 and \$312,846, as of June 30, 2019 and 2018, respectively, which consists of an irrevocable beneficial interest trust and a Foundation fund. Such amounts were approximately 5% and 4% of total assets as of June 30, 2019 and 2018, respectively. The table below represents fair value measurement hierarchy of the assets at fair value as of June 30:

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Fair Value Measured on Recurring Basis (Continued)

Level 3 Measurements

Beneficial Interest in Perpetual Trust

The Agency is the beneficiary of an irrevocable beneficial interest trust held and administered by a local community foundation (the "Foundation"). The trust was created by an agreement between the Agency and the Foundation. In accordance with the terms of the agreement, the Agency has recorded \$150,000 of net assets with donor restrictions that is to be maintained in perpetuity. Amounts in excess of \$150,000 can be used to provide for maintenance, repairs, renovations and upkeep of a building occupied by the Agency. Amounts in excess of \$150,000 are recorded as net assets with donor restrictions until expended. Fair value for the beneficial interest trust is measured using the fair value of the assets held in the trust as reported by the trustee as of June 30, 2019.

The Agency considers the measurement of its beneficial interest in the trust to be a Level 3 measurement within the fair value hierarchy because even though that measurement is based on the unadjusted fair values of the trust assets reported by the trustee, the Agency will never receive those assets or have the ability to direct the trustee to redeem them.

Foundation Fund

During 2018 the Agency invested in a pool of investments held and administered by a Foundation. Fair value of this fund is measured using the fair value of the investments as reported by the Foundation.

Fair Value Measured on Recurring Basis (Continued)

Level 3 Measurements (Continued)

The table below sets forth a summary of changes in the fair value of the Agency’s Level 3 assets for the years ended June 30:

Balance, June 30, 2017	\$ 302,818
Investment in Foundation fund	50,000
Loss on foundation fund investment	(418)
Change in the fair value of the irrevocable beneficial interest trust	<u>(39,554)</u>
Balance, June 30, 2018	312,846
Gain on foundation fund investment	3,533
Change in the fair value of the irrevocable beneficial interest trust	<u>(4,020)</u>
Balance, June 30, 2019	<u><u>\$ 312,359</u></u>

Contributions and Pledges

Contributions of cash and services are recorded as net assets without donor restrictions or net assets with donor restrictions support depending on the existence and/or nature of any donor restrictions. Net assets with donor restrictions are reclassified to net assets without donor restrictions upon satisfaction of the time or purpose restriction and reported in the statement of activities as net assets released from restrictions. The Agency recognizes pledges as revenue when received and uses discounting for recording long-term pledges. Contributions are recognized when the donor makes a promise to give that is in substance, unconditional. Bad debts are expensed and charged against the allowance account when deemed uncollectible based upon a periodic review of collections. Management has deemed that there is no allowance necessary at June 30, 2019 and 2018. Pledges receivable at June 30, 2019 are collectible within one year.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Property and Equipment

Purchased property and equipment are carried at cost. Depreciation is computed using the straight line method over the estimated useful lives of the assets, which range from twenty years for buildings, five to seven years for equipment, or the lease term for leasehold improvements. Repairs and maintenance are expensed as incurred, but any betterment that extends the useful life is capitalized.

Donated Property, Goods and Services

All non-cash gifts (other than personal services) are recorded at their estimated fair value at date of receipt. Contributed services are reflected in the financial statements at the fair value of the services received. In accordance with GAAP, contributions of services are recognized if the services received (a) create or enhance non-financial assets or (b) require specialized skills that are provided by individuals possessing those skills and would typically need to be purchased if not provided by donation. There were no services for the year ended June 30, 2019. These services totaled approximately \$22,000 for the year ended June 30, 2018.

The Agency also received other in-kind donations of approximately \$12,000 and \$48,000 for the years ended June 30, 2019 and 2018, respectively.

Donations of property and equipment are recorded as support at their estimated fair value. Such donations are reported as support without restriction unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as restricted support. Absent donor stipulations regarding how long those donated assets must be maintained, the Agency reports expirations of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor. The Agency reclassifies net assets with donor restriction to net assets without donor restriction at that time.

Income Taxes

The Agency is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code, as amended, and is classified by the Internal Revenue Service as other than a private foundation. Accordingly, no provision or liability for federal and state income taxes has been recorded in the accompanying financial statements.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Income Taxes (Continued)

The Agency annually evaluates all federal and state income tax positions. This process includes an analysis of whether these income tax positions the Agency takes meet the definition of an uncertain tax position under the Income Taxes Topic of the Financial Accounting Standards Codification. In the normal course of business, the Agency is subject to examination by the federal and state taxing authorities. In general, the Agency is no longer subject to tax examinations for the tax years ending before June 30, 2016.

Functional Allocation of Expenses

The financial statements report certain categories of expenses that are attributed to more than one program or supporting function. Therefore, expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated include salaries and related benefits, insurance, professional services, office expenses, information technology, interest, occupancy, depreciation, and amortization, which are allocated on a basis of estimates of time and effort.

Use of Estimates

The preparation of the financial statements in conformity with GAAP requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Subsequent Events

Management has evaluated subsequent events through the date of this report, which is the date the financial statements were available to be issued.

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2019 AND 2018

NOTE 2 – PROPERTY AND EQUIPMENT

Major classes of property and equipment consisted of the following at June 30:

	<u>2019</u>	<u>2018</u>
Land	\$ 1,256,700	\$ 1,256,700
Buildings and building improvements	5,999,860	5,995,830
Office furniture and equipment	564,108	431,914
Vehicles	<u>252,162</u>	<u>102,924</u>
	8,072,830	7,787,368
Less accumulated depreciation and amortization	<u>(3,236,922)</u>	<u>(2,892,908)</u>
	<u><u>\$ 4,835,908</u></u>	<u><u>\$ 4,894,460</u></u>

NOTE 3 – LINE OF CREDIT

The Agency has a \$200,000 line of credit agreement with a financial institution. The line of credit bears interest at the Prime rate of interest, an effective rate of 5.25% at June 30, 2019. There were no outstanding borrowings at June 30, 2019 and 2018. The line of credit expires on December 5, 2019. The Agency is in the process of finalizing a line of credit continuation to take effect after the December 5, 2019 expiration.

NOTE 4 – LEASE COMMITMENTS

The Agency leases office space and equipment under non-cancelable leases. The leases end at various dates through November 2021. Future minimum lease payments under the lease for years ending June 30 are as follows:

2020	\$ 49,414
2021	<u>47,880</u>
	<u><u>\$ 97,294</u></u>

For the years ended June 30, 2019 and 2018, rent expense was approximately \$49,000 and \$46,000, respectively.

NOTE 5 – NET ASSETS WITH DONOR RESTRICTIONS

At June 30, 2019 and 2018, the components of net assets with donor restrictions were as follows:

	<u>2019</u>	<u>2018</u>
Subject to expenditure for specified purposes:		
Building reserve fund	\$ 403,089	\$ 394,105
Specific programming initiatives	36,942	47,792
Beneficial interest in perpetual trust, distributions restricted for building maintenance (Note 1)		
	<u>259,244</u>	<u>263,264</u>
	<u>\$ 699,275</u>	<u>\$ 705,161</u>

NOTE 6 – CONTINGENCIES

In 2010, the Agency received a community development block grant (CDBG) from Gwinnett County in the amount of \$1,500,000 for the acquisition of a building. In return, the Agency has signed a promissory note that is secured by a Security Deed in the event the Agency defaults on the promissory note. The promissory note expires in November 2030. If the building is used for a purpose other than as a domestic violence shelter or sold prior to November 2030, the Agency is required to return \$1,500,000 to the Gwinnett County Community Development program. After November 2030, the building becomes the unencumbered property of the Agency.

Certain federally funded programs are routinely subject to special audit. The audit reports, which are prepared by the auditors for the Agency pursuant to specific regulatory requirements, are required to be submitted to both the Agency and various federal agencies. Such agencies have the authority to determine liabilities as well as to limit, suspend, or terminate the federal programs. Since the Agency does not expect claims to arise as a result of such audits, no provision for liabilities, if any, has been provided in the accompanying financial statements.

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2019 AND 2018

NOTE 7 – LIQUIDITY AND AVAILABILITY

The Agency’s financial assets available for general expenditures, that is, without donor or other restriction limiting their use, within one year of the statement of financial position are as follows:

Cash and cash equivalents	\$ 533,682
Governmental grants receivable	357,354
Pledges receivable	72,954
Investments	226,598
Irrevocable beneficial interest trust	259,244
Donor imposed restrictions	<u>(699,275)</u>
Financial assets available to meet cash needs for general expenditures	<u>\$ 750,557</u>

As part of the Agency’s liquidity management, it has a policy to structure its financial assets to be available as its general expenditures, liabilities and other obligations come due. In addition, the Agency invests cash in excess of daily requirements in short-term investments. In the event of an unanticipated liquidity need, the Agency can also draw upon its available line of credit as further discussed in Note 3.

NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS
YEAR ENDED JUNE 30, 2019

NOTE 1 – GENERAL

The accompanying schedule of expenditures of federal awards (the “SEFA”) presents the activity of all federal financial awards programs received by the Agency. All federal awards received directly from federal agencies, and federal awards passed through other government agencies, are included on the schedule.

NOTE 2 – BASIS OF ACCOUNTING

The accompanying SEFA is presented using the accrual basis of accounting, which is described in Note 1 to the financial statements. The information in the SEFA is presented in accordance with regulations of *Title 2 U.S Code of Federal Regulations (CFR) Part 200*, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards.

NOTE 3 – INDIRECT COST RATE

The Agency did not elect to use the 10% de minimis cost rate covered under *Title 2 U.S. Code of Federal Regulations Part 200*, Subpart E, Cost Principles.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Board of Directors

The Partnership Against Domestic Violence, Inc.

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of The Partnership Against Domestic Violence, Inc. (the "Agency"), which comprise the statement of financial position as of June 30, 2019, and the related statements of activities and changes in net assets, functional expenses and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated the date of this report.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Agency's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Agency's internal control. Accordingly, we do not express an opinion on the effectiveness of the Agency's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the Agency's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Agency's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Agency's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Agency's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

Board of Directors

The Partnership Against Domestic Violence, Inc.

Report on Compliance for Each Major Federal Program

We have audited The Partnership Against Domestic Violence, Inc. (the "Agency") compliance with the types of compliance requirements described in the *U.S. Office of Management and Budget's Compliance Supplement* that could have a direct and material effect on each of the Agency's major federal programs for the year ended June 30, 2019. The Agency's major federal program is identified in the summary of the auditors' results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

Auditors' Responsibility

Our responsibility is to express an opinion on compliance for each of the Agency's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of *Title 2 U.S. Code of Federal Regulations Part 200*, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). Those standards and Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Agency's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the Agency's compliance.

Opinion on Each Major Federal Program

In our opinion, the Agency complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2019.

Report on Internal Control Over Compliance

Management of the Agency is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Agency's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Agency's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
