During the past year, PADV answered over 12,000 crisis calls and served over 5,000 individuals in our programs.

PADV provided over 26,000 hours of service to our children and adults. This represents over 108,000 occurrences of service delivery by staff.

PADV provided over 49,000 nights of shelter and 149,500 meals.

230 people were placed in their own community-based apartments through our supportive housing program.

PADV shared a message of hope with over 14 million people through news and media sources.

PADV's legal teams assisted over 3,461 clients, filing over 3,500 protection orders.

Due to the outbreak of COVID-19, PADV was forced to move many outreach events online. Despite this setback PADV still reached nearly 16,000 people.

1,726 people received counseling/mental health services.

To promote safety during COVID-19, PADV sheltered 113 people in hotels.

14,932 people were reached through teen dating violence and community education events.

58% of shelter clients met their housing goal.

93% of TPO's filed were granted.

72% of parents said their child's mood improved.

92% of children said they learned how to remain safe.

69% of parents said their child's school performance improved.

"I'm happy that I'm leaving but at the same time I'm going to miss everyone I have gotten close to."

"I am excited to find us a new house. I want a swimming pool!"

"I feel good but I’m gonna miss everyone."
